## CRITERIA FOR CONTINUING PROFESSIONAL EDUCATION (CPE) CREDITS

Those recertifying may claim the direct amount of time spent in an educational activity. ASIS accepts whole and partial hours but all sessions must be at least 30 minutes in length. For instance, a 90-minute session would be reported as 1.5 CPEs. Time for meals, breaks, social and networking gatherings, planning sessions, business meetings, and similar activities are not included.

Number of credits expected to be awarded   1    
(ASIS International reserves the right to revise this number.)

## LEARNING OBJECTIVES

State at least three clearly relevant learning objectives or industry-related purposes for the program. A learning objective completes the phrase, "At the end of the program, the learner will be able to..."

1. Understand principles of planning at the Federal Level
2. Develop principles and techniques of organizational cross-functional collaboration across multiple agencies
3. Manage multiple organizational objectives

## FEEDBACK

Describe the process used by your organization to monitor and provide feedback for the facilitators and program. Provide a sample.

A survey will be developed to solicit responses relative to the quality of this presentation.
